# STAGE 2

Stage 2 is a Turn Key Green Screen Stage. Perfect for smaller shoots, where you need to get in and out quickly. The Chroma Key Green Cyclorama is already Pre Lit and wirelessly connected to an iPad for setting your lighting level adjustments. Your crew will only need to light the talent in the foreground. Stage 2 can be booked now for half day rentals too! We make it affordable and convenient. *One place. One rate. Simple.*
